Please bear in mind the following:

- It is imperative that you verify the terms and conditions of your reservation.
- A large number of hotels consider arrivals after 16:00 as 'late'. Should this be the case, may we suggest that you give your credit card number beforehand to guarantee your reservation.
- Due to many conferences and other activities, many of the above mentioned hotels may be fully-booked during the periods of March, May, June, September, and October. If you know you are coming to Brussels at any time during these months, it is best to book - if possible – **right away**.
- Most hotels have non-smoking rooms/floors so do not hesitate to request one if you so wish.
- If possible, try to benefit from weekend or promotional rates (i.e. during the months of July and August).
- Corporate prices are **not** applicable during the following events:

30th International Symposium on Intensive Care and Emergency Medicine: 9 - 10 March 2010

Seafood Exhibition: 27 – 28 April 2010

DECOSIT – International Trade Fair for Fabrics and Furnishings: 15 – 16 September 2010
